Employment: Roanoke Regional Airport Commission does not discriminate on the basis of disability in its hiring or employment practices and complies with all regulations promulgated by the U.S. Equal Employment Opportunity Commission under title I of the ADA.

Effective Communication: The Roanoke Regional Airport Commission will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities so they can participate equally in the Commission's programs, services, and activities, including qualified sign language interpreters, documents in Braille, and other ways of making information and communications accessible to people who have speech, hearing, or vision impairments.

Modifications to Policies and Procedures: The Roanoke Regional Airport Commission will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of its programs, services, and activities. For example, individuals with service animals are welcomed in Commission facilities, even where pets are generally prohibited.

Gonzalez, ADA Coordinator, as soon as possible but no later than 48 hours before the scheduled event.

The ADA does not require the Roanoke Regional Airport Commission to take any action that would fundamentally alter the nature of its programs or services, or impose an undue financial or administrative burden.

Complaints that a program, service, or activity of the Roanoke Regional Airport Commission is not accessible to persons with disabilities should be directed to Efren T. Gonzalez, ADA Coordinator.

The Roanoke Regional Airport Commission will not place a surcharge on a particular individual with a disability or any group of individuals with disabilities to cover the cost of providing auxiliary aids/services or reasonable modifications of policy, such as retrieving items from locations that are open to the public but are not accessible to persons who use wheelchairs.
