

Roanoke Regional Airport Commission
IFB #22-004
Scheduled Maintenance Services for Two (2) Burnham 100hp Boilers in Terminal Building

Addendum #1
May 19, 2022

The contents of this addendum represent solicitation questions and answers, notes, changes, additions or clarifications to the specifications. The bid tabulation for RRAC IFB #19-012 is included as a separate attachment for reference.

Questions and Answers – RRAC IFB #22-004 – Scheduled Maintenance Services for Two (2) Burnham 100hp Boilers in Terminal Building

- Q1. What is the price of the existing contract on the boilers?
- A1. Please reference the bid tabulation for IFB #19-012 for the answer to this question. Year Two quoted on the bid tabulation included the Eddy Current Tube Analysis, which is also required in Year Two for IFB #22-004.
