

ROANOKE REGIONAL AIRPORT COMMISSION
REQUEST FOR PROPOSALS

Upgrades to the Notification System Connecting the Air Traffic Control Tower (ACTC), Local Emergency Services and Aircraft Rescue and Firefighting (ARFF) Personnel

Proposal No. 20-009

The Roanoke Regional Airport Commission (RRAC) hereby requests Proposals from professional firms for preliminary design, bid, construction administration, inspection, testing and related professional services necessary for an upgrade to the Airport's Crash Phone Notification System at Roanoke-Blacksburg Regional Airport.

The Project is anticipated to include, but not be limited to, upgrades to the notification system connecting the Air Traffic Control Tower (ATCT), local emergency services, and aircraft rescue and fire fighting (ARFF) personnel. The upgrade must comply with the Federal Aviation Administration's Advisory Circular 150/5210-7D.

Request for Proposals are available from the Commission's point of contact: Brian Kiser, IT Manager (Brian.Kiser@flyroa.com) on Wednesday, June 10, 2020.

Questions are to be received no later than 5:00 PM on Thursday, June 18, 2020. They are to be sent to: Brian Kiser, IT Manager at: Brian.Kiser@flyroa.com An addendum will be issued if necessary.

Proposals are due on Thursday, July 2, 2020 by 5:00 PM and are to be sent to: Erin Henderson, Contracts Administrator, Roanoke Regional Airport Commission, 5202 Aviation Drive, Roanoke, VA 24012 or delivered in person at same address.

Proposals will be opened on Friday, July 3, 2020. The successful proposer will be notified by Brian Kiser, IT Manager.
