Roanoke Regional Airport Commission Names Diana Lewis as Director of Planning and Engineering

Roanoke, Va. (February 26, 2014) – The Roanoke Regional Airport Commission announces that Diana Lewis has joined the staff as Director of Planning and Engineering for Roanoke-Blacksburg Regional Airport.

In this newly created position, Lewis, as part of the Executive Team, is responsible for organizing, planning, leading, and managing the newly created Department of Planning and Engineering.

Lewis brings more than 25 years of airport leadership experience, most recently managing the aviation program at Miami Dade College. Previously she was Airport Director of St. Lucie County International Airport in Ft. Pierce, Fl. and also served as Director of Planning and Development at Fort Lauderdale International Airport.

Lewis has a M.A. in Environmental Planning from San Francisco State University and has been an Accredited Airport Executive since 1993. She has served on the Boards for the Southeast Chapter of the American Association of Airport Executives, the Florida Airports Council, and served as a member of the Airport Cooperative Research Program.
